

Sacred Heart News

Week 10 Monday 16th November 2020 Half term 2

Dear Parents and Carers,

We hope you had a lovely weekend. Thank you for attending parents evenings last week. They almost went without a hitch! We may need to use this format for future meetings, so we will keep you informed.

Catch up lessons begin this week. We will be using afternoon sessions and all children will have the opportunity from Y1– Y6 to attend. The timetable has been created and resources are ready. We welcome Mrs Evans back to school this week as the teacher who will be providing these sessions.

Anti Bullying week begins this week and we are all wearing odd socks to school today!! The children were very eager to show us their combinations which were interesting and very colourful– thank you. There will be photographs on our Facebook account shortly. Anti Bullying lessons will continue in class during the week.

Yours faithfully,
Alison Ashworth (EHT)

Weekly Family Prayer for the 33rd Sunday in Ordinary time

Generous God,
we give you thanks for the gifts
and talents that you have given us.
Help us to make the best use of
them that we can and to serve you
in all that we do.
Amen.

We have received a couple of
complaints from local residents
recently. Please can we ask you to
park carefully avoiding driveways.

Also to avoid stepping into
peoples private gardens when
waiting to enter the school
grounds.

Thank you

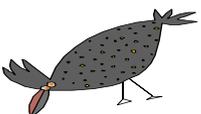

Mass

Sports Leadership in Year 6

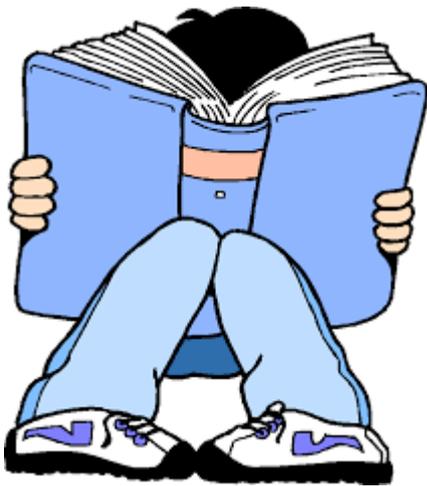

By Daisy

In Year 6, we get the amazing opportunity to do something called 'Sports Leadership'. This is when we get to teach the younger years at different sporting activities such as dodgeball or football. It can really help us with our leadership skills and we can learn how to create a fun and happy environment for everyone in our lesson. Obviously, during the pandemic, it has been slightly different as we can't work with people below Year 4 but it is still a great experience for us and I look forward to every week to building my skills.

Congratulations!

Over the summer, two children in our school successfully completed 'the Silly Squad Reading Challenge!' Well done to Fraser and Lewis Dickie for continuing to read during the Covid-19 Pandemic. We are very proud of you both!
