

Day of the Dead

Day of the dead

The day of respect, honour, loyalty

Celebration of the past

Can you resist the brightly painted faces
welcoming you to the fiesta?

Can you resist the guitar melodies making
your walking feet dance?

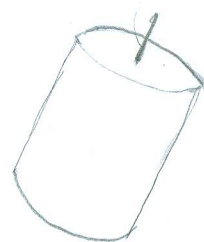

Can you resist?

Flowers lining the way, scenting the warm
night air

Flickering candle lights that dispel the darkness

Pan De Muerto aromas enticing you in
I say once more, can you resist?
