

Service

Dear Parents and Carers,

We are nearly at the end of a very challenging year for all of us; for our children whose education has been interrupted; for our families who may have experienced hardship and loss over the year and for our all Sacred Heart staff who have been committed to ensuring our children received the very best education over the year. You are all in our thoughts and prayers.

The SHSA have completed many projects over this year and our sincere thanks go to them all for iPads, events and for the Peace Garden which is near completion. Our special thanks go to Mrs Mason and Mrs Waddington who are stepping down this year. Thank you for all that you have done for our children.

In our last week, we welcome you all to our outdoor sports day events! The Y4-6 production will be recorded for you as well as our Y6 leavers mass and assembly. In these times, we thank you for your continued support of all that we are trying to achieve at Sacred Heart.

The Year 4-6 production will be filmed on Wednesday morning and will be circulated via Parentmail as soon as possible.

We would like to invite Y6 families to our Y6 leavers Collective Worship which will take place outside on Friday morning at 9.30am. We ask that you wear face masks while on site if you are able to, and we will ensure siblings of Y6 attend the event also.

On Thursday, we are launching a balloon into space! All children will be part of this in the school field on Thursday afternoon. Volunteers are needed, so please contact Mr Hester if you are able to support.

Our risk assessment will continue for this week, although 'Freedom Day' has arrived and we thank you in advance for maintaining social distancing and for wearing face coverings while on our site.

We'd like to wish you all a very safe and happy summer holiday and we look forward to seeing you again in September.

Yours faithfully,

Alison Ashworth (EHT)

Weekly Family Prayer for the 16th Sunday

in Ordinary Time

God of all, you are always there for us. Help us to be there for others when they need us and to treat all people with compassion and respect.

Amen.

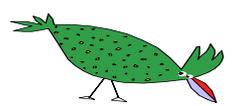

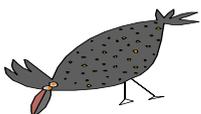

Mass

Year 6 Leavers Party — Friday 16th July 2021

What an amazing time our children had on Friday evening. Our thanks go especially to SHSA for organising such a memorable event for our children. This morning, the children were asked for their thoughts on the party...

Emotional!

Unforgettable!

Tearful!

Memorable!

Exciting!

Banging!

Very, very happy!

Many happy returns to our children who celebrate their birthdays this week and over the summer.

They are:

Fraser D, Iris L, Riley T, Hannah A, Niamh R, Connie P, Ani B, Niamh G, Sophie R-N, Darcie T, Evie F, Hollie O'L, Tommaso C, Joseph M, Finn McD, Olivia G, Katie W, James A, Eddie H, Luigi U, Chloe B, Hannah M, Lida P-S, Noah HDP, Thomas W

Service

Our virtue for this week is Service

I am Serving when

I think of the needs of others and how I can help.

I am willing to give my time to serve others.

I know there are different ways to serve.

I bring joy to myself and others.

I discover my own gifts.

I am enthusiastic when I help.

Upcoming events for this week,

Monday — Y5 Swimming; Netball Club after school and Lower Bubble Lego Club

Tuesday — Lower Bubble Sports Day

Wednesday — Upper Bubble Sports day; Upper Bubble Football Club

Thursday — Balloon launch; Lower Bubble Multisports

Friday — 9.30 Y6 Leavers Collective Worship— outside

Return to the Edge of Space- the sequel!

In the summer of 2019, we attempted to send a space balloon to the edge of the earth's atmosphere, to try and capture an image of the ozone layer. Sadly, the mission was unsuccessful but a group of our parents did not give up and after lots of re-evaluating and hard work, they are ready to try again!

On Thursday 22nd July at 2.30pm, the space balloon will be re-launched from the school field (weather and wind speed permitting). The children are very excited and it has given us the opportunity to talk about protecting our planet.

We are hoping to film the whole event and will keep you updated with the balloon's progress.

There is still time to get involved, Mr Hester is looking for volunteers to help locate the space balloon when it eventually lands back on earth. If you are interested, please contact Mr Hester on 07818474091.

Upcoming Events for this week
