

Dear Parent and Carers,

This week in Collective Worship, we announced the School Council representatives for this year. All the children, who wanted to be a part of the team, were articulate and eloquent in expressing their reasons for joining the school council. The following children were elected by their peers:

St Bernadette– Evie C and Joseph

St Clare– Charlotte-Rose and Hannah

St Peter– Joscelyn and Edward W

St Vincent– James and Frances

St Oscar– Riley and Annie as Head boy and girl and Sylvie as Deputy.

We are all looking forward to working with the children to ensure their views are heard. Well done to you all and thank you for putting yourselves forward for such a responsible position at Sacred Heart!

In this week's Gospel, we hear Jesus telling us that no one is better than anyone else and that we are all the greatest! We will continue to follow this example and support each other in being kind, being helpful and making sure that we play well with each other and ensure we are all included in our work and play.

Year 5 will be taking part in our first residential of the year to Nell Bank on Thursday 7th October to Friday 8th October. The children are very excited about this event and while at Nell Bank, we will be taking part in team building activities such as 'Custard Crossing', 'Duck Rescue', orienteering and den building.

Yours faithfully,

Alison Ashworth (EHT), Mrs Gilhooly (AHT) and Mrs Rhodes (AHT).

*Family prayer for the 25th week in
ordinary time.*

*God of love, help us to recognise the importance
of all children no matter where in the world
they come from. Amen.*

Mass

Journey to the Edge of Space- The Sequel

In the last week of term, we launched our space balloon for the second time in 3 years. Lead by a team of parent volunteers, we were determined to get a photograph this time, hoping to show the curvature of earth and the ozone layer. A delay in lift off did not thwart us and the balloon went up on July 22nd at 17:55. The box and camera were retrieved the next morning by Mr Hester and we are absolutely thrilled with the images captured. All the footage recorded is now uploaded onto the school website. Please take the time to have a look. We will be sharing in school and the children have been so enthusiastic about this 'out of this world' project. Thank you again to all volunteers involved in this amazing project.

25th Sunday in ordinary time- Upcoming events this week:
