Week 27 Tuesday 19th April 2022 Half term 5

Dear Parent and Carers,

Happy Easter! We hope you had a really good break. It has been lovely to welcome the children back today. As we visit the classes, it is a pleasure to see your children living out the Virtues and showing their eagerness to learn.

In Collective Worship, we heard from John 20:1-9 with Mary Magdalene visiting the tomb where Jesus's body has been laid, but the stone blocking the entrance had been moved and Jesus was not there. She ran back to fetch Simon Peter and John and tell them that Jesus had gone. When they arrived at the tomb they saw that it was empty except for the cloths that the body had been wrapped in. The disciples realised that Jesus has risen from the dead and they believed in him.

We reflected on how Mary Magdalene and the disciples must have felt and how we feel knowing that Jesus is risen.

Easter is a time of great joy, happiness and celebration. It is also a time of great hope, because the resurrection of Jesus shows us that nothing is impossible to God.

Jesus is risen from the dead to forgive our sins and bring us all new life. It is a time for fresh starts and new beginnings, knowing that Jesus will always be with us. We are filled with joy and we look to the future with hope.

We thought about what makes us joyful this Easter and our hopes for the world. We would like peace, for all people, enough food for all, for no one to be lonely and for the world to be a fairer place.

Whatever our hopes, we give thanks to God this Easter for all the things that bring us joy, we also pray that our hopes may become a reality and filled with hope we go out to work towards making this happen.
