## SECTION A

### Purpose and Intent

We articulate this policy in accordance with the statutory guidance on Attendance in the DfE document, 'Working together to improve school attendance'

To ensure that every child attends, on time, every day possible so that they:

- Establish positive routines and attitudes towards their education from the earliest point
- Progress well academically and socially.
- Develop excellent habits for their next steps in education and their careers.
- Promote and support the safety and welfare of all pupils

### Aims

The Bishop Wheeler Catholic Academy Trust (BWCAT) is committed to developing and maintaining an effective whole Trust strategy with regards to attendance and punctuality.

The DfE Working Together to Improve Attendance 2022 guidelines state that attendance "is essential for pupils to get the most out of their school experience, including their attainment, wellbeing, and wider life chances. The pupils with the highest attainment at the end of key stage 2 and key stage 4 have higher rates of attendance over the key stage compared to those with the lowest attainment."

BWCAT is committed to supporting the excellent attendance of all pupils.

Each academy within BWCAT will:

- Develop and maintain a whole school culture that promotes the benefits of high attendance.
- Publish and adhere to this attendance policy, and ensure all staff, pupils and parents are aware of this policy.
- Accurately complete admission and, attendance registers and have effective day to day processes in place to follow-up absence.
- Regularly monitor and analyse attendance and absence data to identify pupils or cohorts that require support with their attendance and put effective strategies in place.
- Build strong relationships with families, listen to and understand barriers to attendance and work with families to remove them.
- Share information and work collaboratively with other schools and Trusts in the area, local authorities, and other partners when absence is at risk of becoming persistent or severe.

- Will take appropriate action in a timely manner to safeguard and promote children's welfare.
- Recognise children missing education can act as a vital warning sign to a range of safeguarding issues including neglect, sexual abuse and child sexual and criminal exploitation.
- Ensure all staff are aware of their responsibilities with respect to Attendance and understand the correlation with safeguarding.

All schools within BWCAT aim to:

- Maintain a high level of attendance.
- Reduce to a minimum the number of authorised and unauthorised absence.
- Reduce to a minimum the number of pupils who are persistently absent.
- Ensure attendance procedures are effectively and consistently applied.
- Ensure safeguarding procedures are effectively and consistently applied.

BWCAT will work in partnership with parents/carers in promoting and encouraging 100 percent attendance and punctuality for all our pupils.

## **Legal duty**

Parents have a duty to ensure that their children receive full time education (the Education Act 1996). Legal action may be instigated against parents/carers whose child's attendance is at an unacceptably low level and where parents/carers are failing to fulfil their responsibility (section 444(1) and 1(a)).

In delivering this policy, we consider our obligations under the Equality Act 2010 and the UN Convention on the Rights of the Child.

We must keep an admission register (the academy roll) in accordance with section 7 of the guidance. This must contain specific personal details of every pupil in the academy along with the date of admission or re-admission to the academy, information regarding parents and carers, and details of the school last attended.

In accordance with section 7 of the Working Together guidance; we recognise that a pupil's name can only lawfully be deleted from the admission register if a reason set out in regulation 8 of the Education (Pupil Registration) (England) Regulations 2006, as amended, applies.

Each academy is required to maintain an accurate register as a legal document on a session by-session basis.

We must take the attendance register at the start of each morning session of each academy day and once during each afternoon session. On each occasion we must record whether every pupil is

- present,
- attending an approved educational activity,
- absent,
- unable to attend due to exceptional circumstances.

Our academies must preserve every entry in their attendance or admission register for 3 years from the date of entry.

Our academies code attendance in accordance with ‘Attendance and absence codes’ as set out in the DfE guidance paragraphs 203 – 276.

Registers are only amended where the reason for absence cannot be established at the time it was taken and it was subsequently necessary to correct the entry. Where amendments are made, our academies must ensure the register shows the original entry, the amended entry, and the date on which the amendment was made.

It is the parent/carer’s responsibility to contact the academy on the first and each subsequent day of absence unless a definite date of return is known. The academy will reach a decision whether the absence is authorised or not.

The academy will seek legal action through the local authority for continued poor attendance in accordance with the clear guidance and expectations as laid out in section 6 of the 2022 DfE guidance, and as part of their wider safeguarding duty outlined in KCSIE. This could result in a fixed penalty notice (FPN), or other sanctions being issued.

Within five school days of unauthorised absence depending on the circumstances of the absence a member of staff may carry out a home visit.

The academy may request medical evidence for an absence. We accept appointment card, letters, emails, text messages and doctors’ letters.

## SECTION C

### Authorised and Unauthorised absences

We follow the guidance on persistent and severe absence as outlined in section 5 of Working Together. Authorised absence is where the academy accepts there is good reason for an absence.

Consideration for an authorised absence requires a written, or telephone communication, from the parent. Parents are asked to notify the academy as soon as possible. Children who return to school following an absence without an explanation will be deemed to have had an 'unauthorised absence' until a suitable explanation has been given. Absence is then coded according to the cause (**Appendix 2**).

Examples of absence that might be authorised are:

- An absence caused by genuine illness or other unavoidable cause.
- An absence for an agreed religious observance by the religious body to which the parents belong.
- Family bereavement.
- Situations where the academy authorises absence, e.g., study leave, work experience, interviews, and special occasions such as theatre/sporting/musical performance.
- Medical appointments where proof is available.
- Suspension or Permanent Exclusion.

Where explanations are not forthcoming, the explanations are deemed unacceptable, or unreliable; these will be explored by the academy and, where appropriate recorded as 'unauthorised'.

Examples might include:

- shopping
- no school uniform to wear
- to do homework / coursework
- lateness
- holidays
- day trips
- birthdays

If an absence is deemed as unauthorised this may result in the issuing of a penalty notice (FPN) or other legal interventions outlined in section 6 of 'Working together to improve school attendance', including parenting contracts, education supervision orders and parenting orders.

We recognise that attendance below 90% is poor and a child below this figure is treated as a Persistent Absentee (PA) by all academies and the DfE (Department for Education).

## **SECTION D**

### **Severe absence**

Focused monitoring and intervention will be given to pupils who are absent from our academies for more time than they are present (those missing 50% or more of school).

These are classed as severely absent pupils. We recognise that these children may find it more difficult to be in school or face bigger barriers to their regular attendance and as such are likely to need more intensive support across a range of partners. Our academy attendance teams will make this group a top priority for support – this may include specific support with attendance for the pupil or a whole family plan.

If all avenues of support have been facilitated by schools, local authorities, and other partners, and the educational support have been provided but severe absence for unauthorised reasons continues, we recognise that it is likely to constitute neglect and would therefore be treated as a safeguarding issue.

In all cases, we expect our academies to make patterns of both persistent and severe absence a focus of their regular data monitoring and identify pupils and cohorts who need targeted attendance support as quickly as possible.

### **Family Holidays**

Parents/carers are not entitled to remove children from our academies for holidays during term time. Where parents consider that there may be exceptional circumstances, this should be submitted in writing, outlining the circumstances, to the Headteacher of the academy prior to booking to seek authorisation.

We do not authorise holiday absences unless the request meets the exceptional circumstances outlined below, the exceptional circumstances will only be granted at the discretion of the Headteacher.

These exceptional circumstances are:

- where families are service personnel.

- when a family needs to spend time together to support each other during or after a crisis.
- other compassionate circumstances that can be confidentially shared with the academy.

The application letter must outline precisely what the exceptional circumstances are.

**If you take your child on holiday during term time you may be liable for a penalty notice being issued with or without prior notice by parents/carers.**

## **SECTION E**

### **Addressing attendance and punctuality concerns**

Through working closely in partnership with parents/carers, we aim to establish positive routines for attendance and punctuality from the earliest age. Due to the established impact of lost education on progress and achievement, we will always provide comprehensive support to children and families to endeavour to overcome barriers, but we have a robust response where concerns emerge. These are set out in the bullet points and the BWCAT Attendance Interventions below.

It is important that children arrive at school on time to avoid missing key learning, information and the impact on routines and relationships. Considering all the above, and in circumstances where it is justified, failure to co-operate with an outside agency could lead to the Local Authority prosecuting parents of children with poor attendance.

### **Procedure for Tracking and Improving Attendance**

Each academy will have a robust day to day processes in place to track and follow up absence and poor punctuality. The attendance officer or administrator is responsible for tracking school attendance daily, weekly, half termly, and yearly. The Headteacher provides half termly reports to the Academy Council.

The attendance officer/administrator also provides an attendance report in which they outline the work the academy has been doing with families and the impact this has had. If a child's attendance becomes erratic or falls below 90% a referral would may be made to relevant agencies. The CEO collects half termly attendance figures and will report to the Trust Board.

The school has robust procedures in place for reducing persistent and severe absence. The Academy will support families and offer internal support as well as make external referrals to agencies, in conjunction with parents e.g., School Nursing, Early Help Hub to remove

barriers to attendance and provide the necessary support to ensure their child attends school every day.

- Send a 'Priority 1- Attendance Communication' communication which informs parents that their child's attendance has fallen below 90% (minimum national school attendance level) and is being closely monitored to ensure they do not become a persistent absentee.
- Send a 'Priority 2 - Attendance Communication (Advice)' communication which informs parents that their child's attendance has shown no improvement since the last half term or is consistently causing concern, after being closely monitored. The academy to monitor the pupil's attendance for the next 10 school days.
- Send a 'Priority 3 – Attendance Communication (Support)' communication which informs parents that their child's attendance has shown no improvement following the 10-day monitoring period. The academy to arrange a focus meeting and a plan put in place to support the pupil and their family to remove barriers and access support to improve attendance and punctuality. The academy to monitor this support plan for the next 10 school days.
- Send a 'Priority 4 – Attendance Communication (Warning)' communication which informs parents that their child's attendance has shown no improvement following the implementation of the support plan and the 10-day monitoring. The academy to monitor the pupil's attendance for the next 10 school days. The warning letter must inform parents that if attendance does not improve a formal 'Attendance Panel Meeting' will be held.
- Send a 'Priority 5 – Attendance Communication (Formal Attendance Panel Meeting)' communication which informs parents that an attendance panel meeting will be held. It is the responsibility of the academy to form the attendance panel meeting, a member of SLT must chair the meeting. Attendees to include parents, the pupil (if appropriate) and other agencies involved. At the start of the meeting parents MUST be informed that the meeting is part of a formal attendance procedure which could lead to legal intervention by the Local Authority. Support plan formulated in the meeting, if actions signed and agreed this is a parenting contract. Academy to monitor for 10 school days, if no improvement or engagement then the academy will contact the Local Authority for consideration of statutory intervention by the Local Authority.
- Send a 'Priority 6 – Attendance Communication (Sanction – PACE Formal Meeting)' communication which informs parents that their child's attendance has shown no improvement following the implementation of the formal support plan. The academy to liaise with the Local Authority to enforce statutory intervention, which

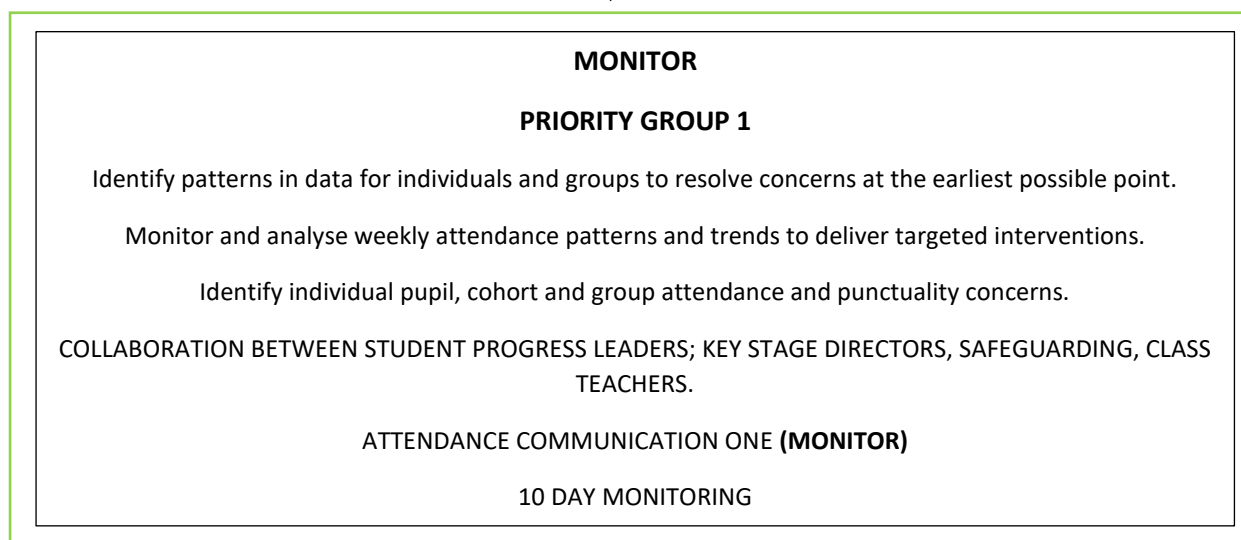

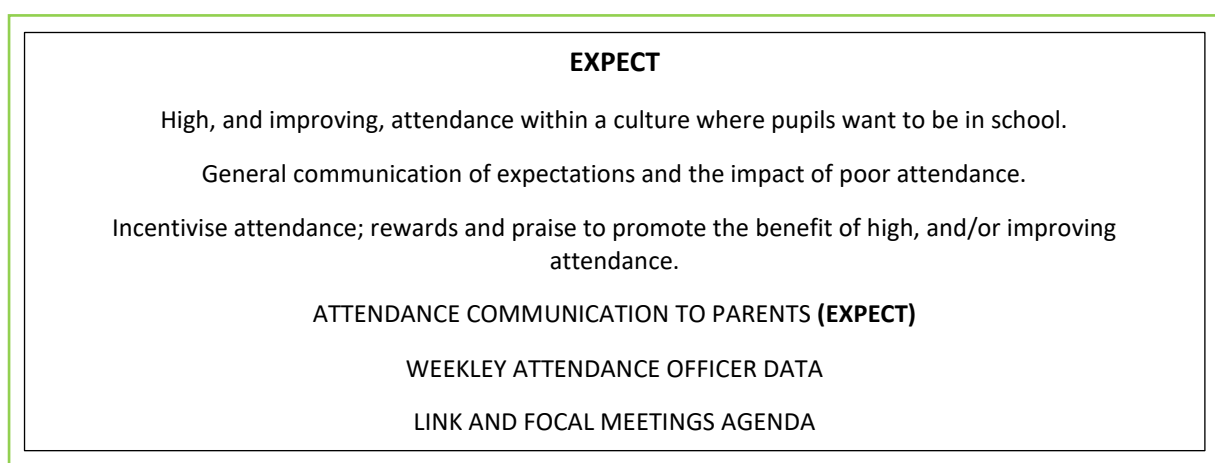

may include prosecution, Fixed Penalty Notices or other sanctions. Safeguarding concerns to be reported to Children Social Care.

Academies to retain clear records of interventions and support put in place during the first five stages detailed above. This documentation will be required as evidence at a PACE meeting. Documents from the formal attendance panel meeting must always clearly indicate the possibility of legal action being pursued against parents as an outcome.

### **BWCAT Attendance Interventions**

Successfully treating the root cause of absence and removing barriers to attendance, at home, in school or more broadly requires schools and local partners to work collaboratively with, not against families.

**Xxxxx (insert school name)** will collaboratively address the causes to remove barriers with partners and families by doing the following:

**LISTEN AND UNDERSTAND**

**PRIORITY GROUP 2**

Discuss barriers to attendance and agree how to work together to resolve them with additional support.

Build positive relationships between home and school addressing concerns with dignity and respect.

ATTENDANCE COMMUNICATION TWO (**ADVICE**)

10 DAY MONITORING

**FACILITATE SUPPORT**

**PRIORITY GROUP 3**

Remove barriers in school and help pupils and parents access support.

Focus groups to support individual pupil, cohort and group attendance and punctuality

ATTENDANCE COMMUNICATION THREE (**SUPPORT**)

10 DAY MONITORING

**WARNING**

**PRIORITY GROUP 4**

The warning letter must inform parents that if attendance does not improve a formal 'Attendance Panel Meeting' will be held.

ATTENDANCE COMMUNICATION FOUR (**WARNING**)

10 DAY MONITORING

**FORMAL ATTENDANCE PANEL MEETING**

**PRIORITY GROUP 5**

Communication which informs parents that an attendance panel meeting will be held.

Support plan formulated in the meeting, if actions signed and agreed this is a parenting contract.

**ATTENDANCE COMMUNICATION FIVE (FORMAL)**

**10 DAY MONITORING**

**PACE FORMAL MEETING**

**PRIORITY GROUP 6**

The academy will liaise with the Local Authority to enforce statutory intervention, setting out clearly when and how attendance legal intervention will be used.

Enforcement through statutory intervention, prosecution, Fixed Penalty Notices or other sanctions.

Safeguarding concerns referred to Education Safeguarding team for s.17 or s.47 involvement.

**ATTENDANCE COMMUNICATION SIX (SANCTION)**

**Day to Day (including unexplained absences and Child Missing Education):**

- Make an initial response (ranging from: text message, telephone call and/or home visit) on the first day of absence. When a home visit is made, a calling card will be left to make the parents aware a member of staff has visited their house.
- The academy will endeavour to make all reasonable enquires to ascertain the whereabouts of the child and the reason for absence, as above. If the academy fails

to make any contact with the parents, a member of staff may conduct home visits, contact the Police or Children's Social Care to complete a safe and well check.

- In exceptional circumstances, where concerns are raised, a referral to Children's Social Care may also take place.

### **Weekly:**

- Analysis of all absence and attendance codes for monitoring purposes.
- Analysis of the Late Log detailing all late children. (Both before and after registration closes).
- Phone calls and/or meetings, as required, to discuss individual circumstances, including lateness and/or absence.

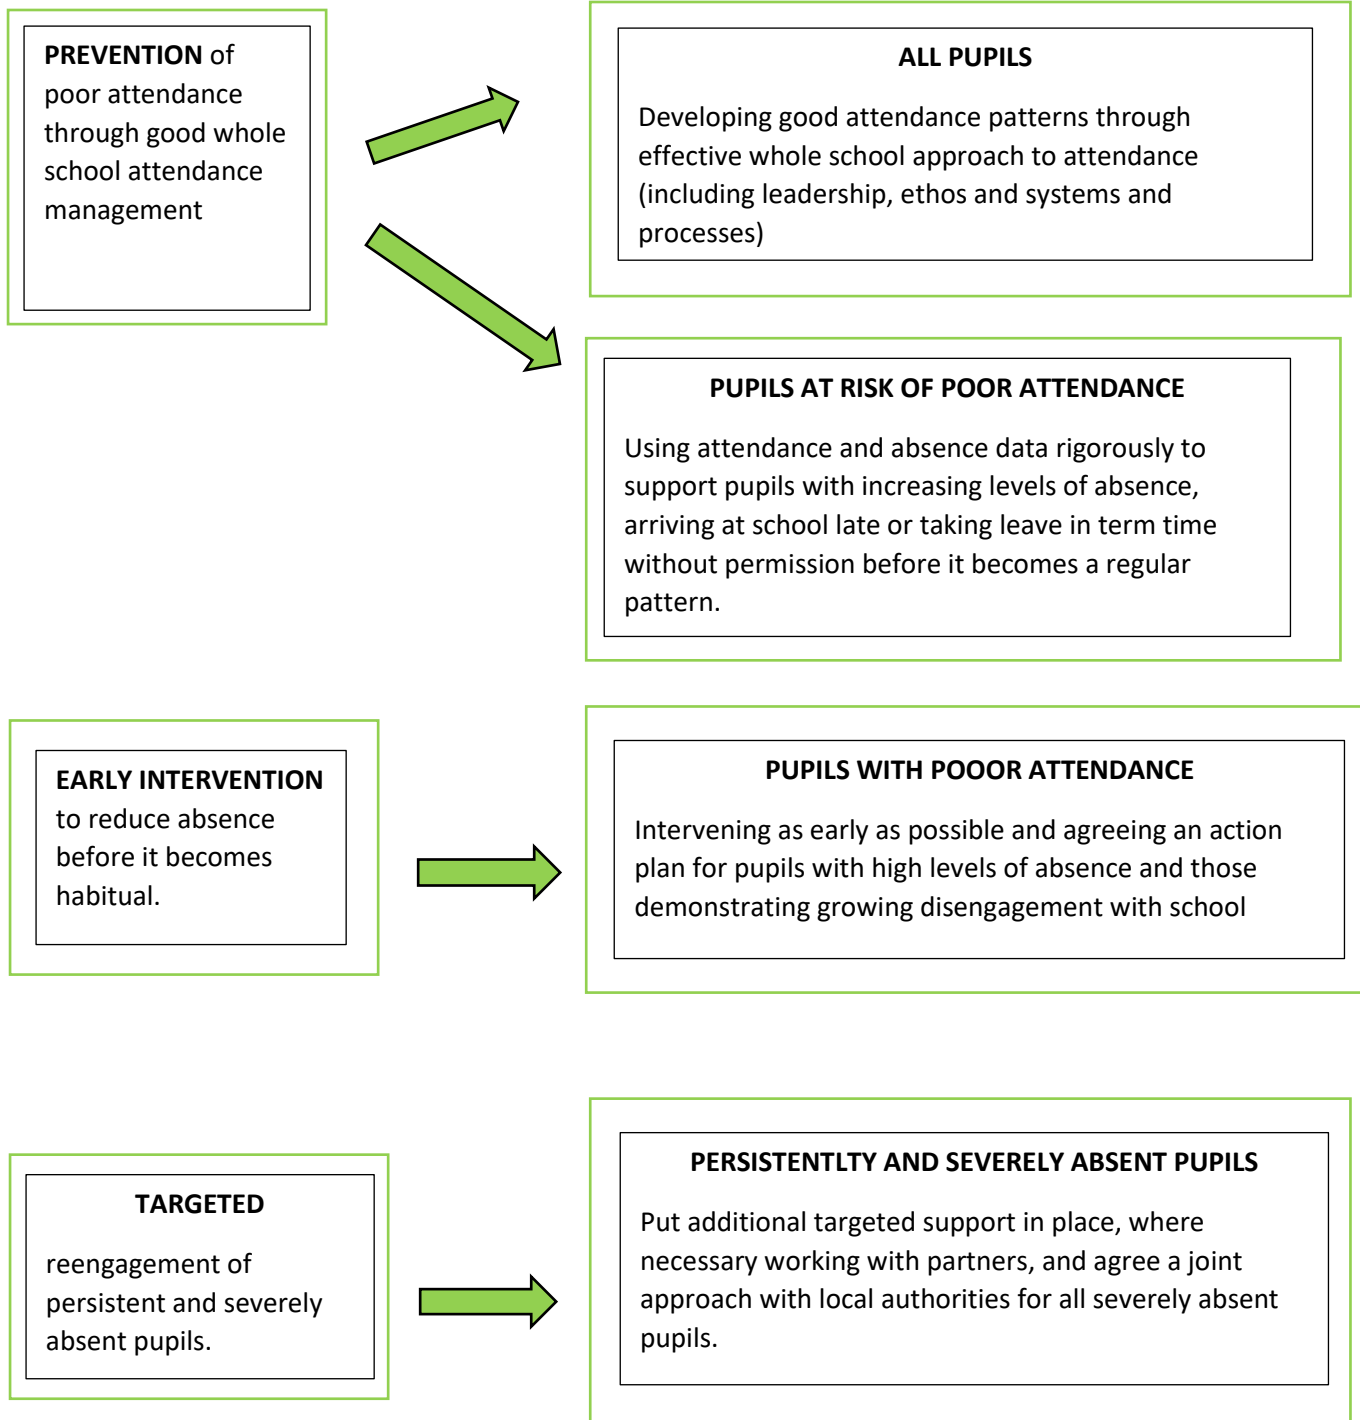

### **Half-termly**

- Meetings to discuss pupils' attendance.
- Attendance data is reported to the CEO for analysis, the CEO will present reports to the Trust Board for review.
- Attendance data is reported to the Academy Council (summary of statistics analysed for monitoring, assessing targets and implementing improvement), covering:
  - Whole school attendance
  - Age related attendance (year group)
  - Persistent absenteeism
  - Analysis of groups of learners e.g., SEND

### **Yearly:**

- During various points throughout the year, school attendance is reported through the School Census.
- Attendance data is reported to the CEO and Trust Board for analysis.
- Attendance is reported to all parents within their 'End of Year Report'.
- A Yearly Attendance Summary is reported to the Academy Council (summary of statistics analysed for monitoring, assessing targets and implementing improvement), covering:
  - Whole school attendance
  - Age related attendance (year group)
  - Persistent absenteeism
  - Analysis of groups of learners e.g., SEND

## Effective School Attendance Improvement and Management

*DfE Guidance - Working together to improve school attendance.*

## SECTION F

### Rewards and recognition

We recognise the importance of acknowledging and celebrating good attendance however we also do not penalise children who have been unable to attend due to medical conditions, illness, or other exceptional circumstances. We also value where attendance has shown sustained improvement over time.

Individual attendance targets and rewards are agreed for some children working with designated staff in the respective academy.

Special recognition is usually given to good attendance, individually, in class, year group or whole academy assemblies.

### Part-time timetables

We recognise that in very exceptional circumstances, where it is in a pupil's best interests, there may be a need for a temporary part-time timetable to meet their individual needs.

This will usually be because of an outcome of a SEND review, PEP review in the case of a Looked After Child, a Team Around the Child (TAC) or Early Help Assessment (EHA), and only when other options have been explored.

Statutory Guidance on the use of part-time timetable and exclusions is very clear:

*“In very exceptional circumstances there may be a need for a temporary part-time timetable to meet a pupil's individual need. For example, where a medical condition (including a mental health condition) prevents a pupil from attending full-time education and a part-time timetable is considered as part of a reintegration package. A part-time timetable must not be a long-term solution.*

*Any pastoral support programme or other agreement must have a time-limit by which point the pupil is expected to attend full-time or be provided with alternative provision.”*

We recognise that a pupil should not be put on a part-time timetable purely because of their special educational need as this may constitute discrimination.

Part-time timetables will only be used in very limited circumstances for pupils not able to attend school on a full-time basis, for example:

- Where there are behaviour difficulties, and the academy is using a part-time timetable as an intervention to avoid exclusion, part of a pastoral support plan (PSP) or a planned reintegration package.
- Where a pupil has a short-term medical condition that prevents full time attendance for a time limited period.

It does not refer to pupils whose curriculum has been modified but are still attending.

Part-time timetables are used to enable our academy leaders to address pupils' social emotional mental health needs with the goal of reintroducing them to full time learning. They are only in place for the shortest time necessary and must not be treated as a long-term solution. A clear time scale should therefore be identified on the plan. We work towards full re-integration at the earliest opportunity – depending on the circumstances and at the professional judgement of the Headteacher, this may be done incrementally by increasing the contact over time.

Objectives of a part-time timetable should be clearly understood and **agreed** from the outset by all stakeholders and reviewed at least fortnightly in partnership with parents and pupils. A parent/carer must consent to the part-time timetable and be clear that they are taking responsibility for the child when they are not in school.

When considering or implementing a part-time timetable we take into consideration the wider safeguarding implications for the child.

We ensure that a pupil absent, under these conditions, has their absence recorded as authorised.

### **Children who cannot attend school because of health needs**

The Government's policy intention is that all children, regardless of circumstance or setting should receive a good education to enable them to shape their own futures. Therefore, alternative provision and the framework surrounding it should offer good quality education on par with that of mainstream schooling, along with the support pupils need to overcome barriers to attainment.

This support should meet a pupil's individual needs, including social and emotional needs, and enable them to thrive and prosper in the education system.

The Government has issued statutory guidance which Local Authorities (LAs) must have regard to when carrying out their duty to arrange suitable full-time education (or part-time when appropriate for the child's needs) for children who are unable to attend a mainstream school because of their health. This duty applies to all children and young people who would normally attend mainstream schools, including academies, free schools, independent schools and special schools, or where a child is not on the roll of a school. It applies equally whether a child cannot attend school at all or can only attend intermittently.

LAs are responsible for arranging suitable full-time education for permanently excluded pupils from the 6<sup>th</sup> day, and for other children who – because of illness or other reasons –

would not receive suitable education without such provision. This means that where a child cannot attend school because of health problems, and would not otherwise receive a suitable full-time education, the LA is responsible for arranging provision and must have regard to this guidance.

There will be a wide range of circumstances where a child has a health need but will receive suitable education that meets their needs without the intervention of the LA – for example, where the child can still attend school with some support; where the school has made arrangements to deliver suitable education outside of school for the child; or where arrangements have been made for the child to be educated in a hospital by an on-site hospital school.

The Government would not expect the LA to become involved in such arrangements unless it had reason to think that the education being provided to the child was not suitable or, while otherwise suitable, was not full-time or for the number of hours the child could benefit from without adversely affecting their health. This might be the case where, for example, the child can attend school but only intermittently.

Further information for families can be found in the BWCAT Supporting Pupils with Health Needs who cannot Attend School.

### **Re-integration of pupils following long term absence**

Each academy recognises the key role it can play in ensuring the successful reintegration of pupils returning after a prolonged period of absence.

The academy will work in partnership with parents/carers and external agencies (if appropriate), to assist a smooth reintegration back into school ensuring a flexible approach to meeting the pupil's needs.

All relevant staff will be informed of the child's circumstances, where necessary and a member of staff will be nominated to oversee the pupil's return.

The pupil's peers will also be included to ensure they welcome the pupil back to school and support the reintegration process.

### **Children Missing in Education (CME)**

Children Missing in Education (CME) are children of compulsory school age who are not on a school/academy roll and who are not receiving a suitable alternative education (for example at home). These children may be at a greater risk of harm. The Local Authority's Education Welfare Service is responsible for monitoring and tracking young people who are not in the education system, and for supporting their entry into a school/academy.

A child going missing from education, which includes within the school day, is a potential indicator of abuse and neglect, including sexual exploitation. Unauthorised absences will be monitored and followed up in line with the academy's attendance procedures, particularly where children go missing on repeated occasions. All staff are aware of the signs of risk and individual triggers including travelling to conflict zones, female genital mutilation (FGM) and forced marriage.

All pupils will be placed and removed from admission and attendance registers as required by law.

The academy will collect, where possible, at least two emergency contact numbers for each pupil. The academy will inform the local authority of any child removed from the academy's admission register. The academy will inform the local authority of any pupil who fails to attend for a continuous period in line with the local authority's procedures.

If a child goes missing from education the academy has a responsibility to make reasonable enquiries to find the child. If they are unable to do so they should refer to the Local Authority's CME Officer in the Education Welfare Service.

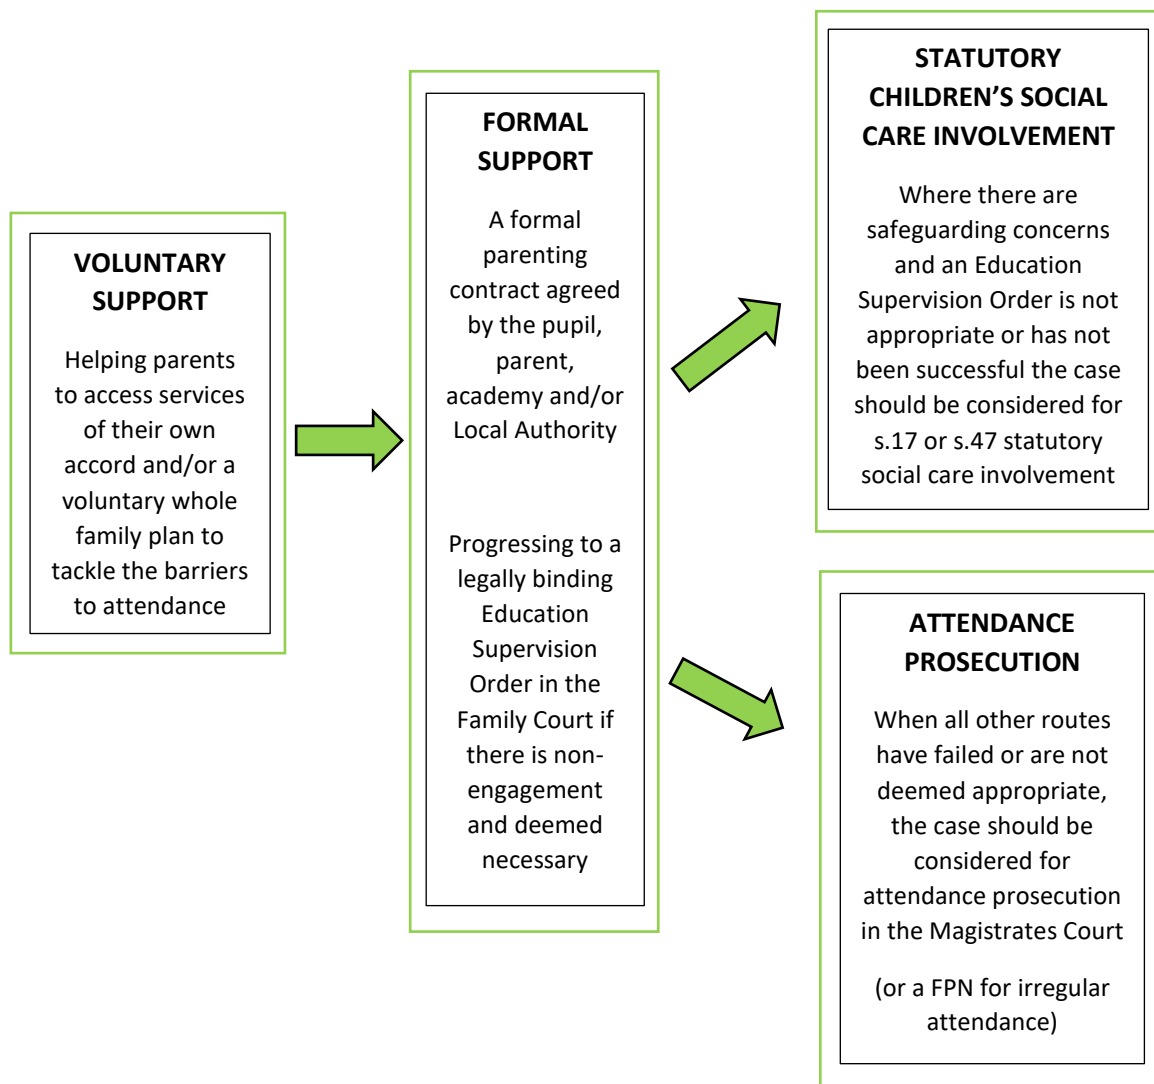

Including day to day attendance procedures, as well as cases of CME, the academy will:

- Make an initial response (ranging from: text message, telephone call and may conduct a home visit) on the first day of absence. When a home visit is made, a calling card will be left to make the parents aware a member of staff has visited their house.
- Endeavour to make all reasonable enquires to ascertain the whereabouts of the child and the reason for absence, as above. If the academy fails to make any contact with the parents, a member of staff may telephone Children's Social Care or the Police to complete a safe and well check.
- In exceptional circumstances, where concerns are raised, a referral to Children's Social Care may also take place.
- Inform the local authority if any child is absent for 10 consecutive school days and no reasonable explanation has been provided.
- Inform the local authority of any child removed from the academy's admission register. Schools must follow their Local Authority guidance for CME and also the DfE 'Children Missing in Education' guidance 2016

## SECTION G

### Legal Interventions

As absence is often a symptom of wider issues a family is facing, the Trust and its academies will work together with the Local Authority to understand the barriers to attendance and provide support. Where that is not successful, or is not engaged with, the law protects pupil's right to an education and provides a range of legal interventions to formalise attendance improvement efforts, and where all other avenues have been exhausted, enforce it through prosecuting parents.

*DfE Guidance - Working together to improve school attendance.*

The academy, via the local authority, may exercise its legal powers to address poor attendance in school. These powers include:

**Penalty Notices:** Section 23 of the Anti-Social Behaviour Act 2003 allows penalty notices (fines) to be issued to parents/carers. They are an alternative measure to the prosecution of parents/carers who fail to ensure that their child attends school. A penalty notice will be issued by the local authority in line with its code of conduct when a child's absence has not been authorised by the school. This is issued to any adult with parental responsibility for each child. The penalty is £60 per parent/carer per child if paid within 21 days, increasing to £120 per parent/carer per child if paid between 21 and 28 days. If one or both parents/carers fail to pay the penalty notice in full, then the local authority may decide to prosecute the parents/carers.

**Prosecution:** If a child fails to attend school regularly at which they are registered then the parents/carers may be guilty of an offence and may be prosecuted by the local authority. They have the power to prosecute parents/carers who fail to comply with a school attendance order under section 443 of the Education Act 1996 or fail to ensure their child's regular attendance at a school under section 444 of the Education Act 1996. The fines available to the courts if the parents/carers are found guilty could be between £1000 and £2500. The courts can also sentence parents/carers for imprisonment for up to 3 months

**Education Supervision Order (ESO):** This is an action plan that would be overseen by the high or Family Court. Non-compliance with the directions given in an ESO can lead to a fine of up to £1000.

**Parenting Order:** The order requires a parent to comply with the arrangements specified in the order by the Court which can include a requirement for parents to attend counselling or guidance sessions (e.g. parenting education or parenting support classes) where they will receive help and support to enable them to improve their child's attendance for up to 3 months. Any breach of the order can lead to a fine of up to £1000.

## **Policy review**

This policy will be reviewed by the CEO and Head of Governance in consultation with Headteachers and staff within the academies. The policy will be reviewed annually and approved by the Trust Board.

### Codes for marking attendance and absence

The national codes enable schools to record and monitor attendance and absence in a consistent way and are used to collect statistics through the School Census system. The data helps schools, local authorities and the government to gain a greater understanding of the level of, and the reason for, absence and the delivery of education.
